

UK-STYLE FACEPLATE

The Generic UK-Style Universal Shuttered Faceplates offer the communications cabling installer both reliability and flexibility when fitting off work area outlets. The unique rear molding will accept limited keystone jacks and also Systemax® M-series jacks. The Plates are designed to be mounted on standard 86 x 86mm mounting blocks and junction boxes. The Generic Shuttered Plate has a labelling position provided suitable for Traffolyte and clear tape labelling systems.

- ➔ Accepts Keystone* and M-series jacks
- ➔ Self label window
- ➔ Available in Single, Dual & Quad
- ➔ Robust shutter mechanism
- ➔ Available in White only
- ➔ 86 x 86mm mounting

* Not suitable for Krone Keystone Jacks
