

FINGER DUCT CABLE MANAGER

Generic 1RU & 2RU Cable Management Panels offer an organised format for patch cord moves and changes. Finger duct makes it easier to find and relocate patch cords. All panels are comprised of black high impact self extinguishing UL rated plastic duct mounted on black powder coated panels and include cage nuts and mounting screws.

- ➔ Versatile Slotted Finger Duct
- ➔ 1RU / 2RU
- ➔ Flexible Cable Entry
- ➔ Includes Mounting Hardware
