

HORIZONTAL ECONOMY FACEPLATE

The Generic Universal Economy Faceplates offer the communications cabling installer both low-cost and flexibility when fitting off work area outlets. The unique rear molding will accept limited keystone jacks and also Systimax® M-series jacks. The Plates are designed to be mounted horizontally in standard 115 x 70mm mounting blocks, junction boxes and c-clips. The Plate has a very clean surface making it suitable for Traffolyte and clear tape labelling systems.
